Kiwanis International has created a NEW Club format called the 3-2-1 Club. These clubs are part of a pilot project inspired by feedback from current and past members reflecting a desire to meet less and do more. A 3-2-1 club represents three hours of service, two hours of social activity, and a one hour meeting each month. In that spirit to meet less and do more, the 3-2-1 Kiwanis Club of Ridgewood, NY is in the process of getting their Charter from Kiwanis International with an anticipated start date of June 20, 2018.

On Wednesday, April 04, 2018, the Club had its Organizational meeting, voting for their Bylaws, Board of Directors, meeting time and place and other details. Lt. Governor Carol Masiello and PLG Verdia Noel were present as Liz Fitzgerald was unanimously voted in as the Charter President by over 40 dues paying members present. There have been over 100 Membership Applications distributed and it is expected that 75 members will be inducted on Charter Night. Dues are only \$65 for the Charter Year. The Middle Village Kiwanis Club will be the Sponsoring Club and meetings will take place at the Greater Ridgewood Youth Council Headquarters building at 59-03 Summerfield Street in Ridgewood. Hank Kraker has agreed to be the Charter Secretary and Dave Fitzgerald has agreed to be the Charter Treasurer since Dual Club membership is allowed by Kiwanis International. 35 Year Kiwanis member, DPP Bob Monahan, facilitated the proceedings.
