Over the past few years, the GRYC and the Kiwanis Club of Ridgewood 3-2-1 have been providing food, supplies and meals to the Backstretch workers at Belmont and Aqueduct Racetracks. Through a partnership with the NY Race Track Chaplaincy of America, over 1,500 meals were distributed, $4,000 of Food Pantry items and food goods and gifts for the family and children of this sometimes forgotten group. At the same time, the GRYC/3-2-1 has

DAILY DOSE MAISON

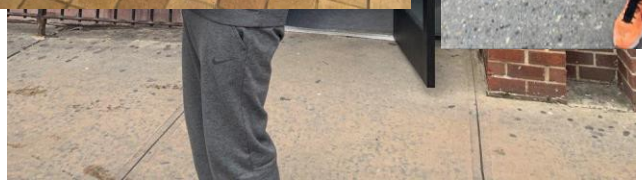
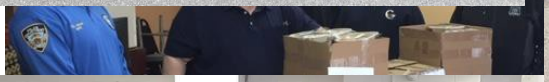
What can you say about Gino, Jason, Carlos, Ricky, Maricelis and Bob Temkin zipping around delivering over **25,000** *individually packaged & prepared nutritious meals (shown above). These donated meals were distributed to our First Responders, Essential Workers and many other locations in Brooklyn and Queens.*

It is anticipated that the GRYC and Ridgewood Kiwanis 3-2-1 will deliver over **31,000** *total meals over the next couple of weeks.*

Thank you **Daily Dose/Maison** *for your generosity and caring for those in great need at this difficult and uncertain time in history.*



Every Day a crew of GRYC &



Assemblyman Mike Miller joined forces with the GRYC/ Ridgewood 3-2-1 to distribute meals to the NYPD 102nd and 106th Precincts,

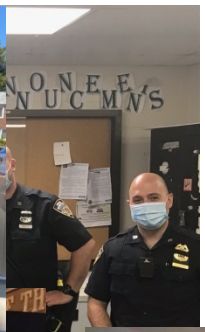
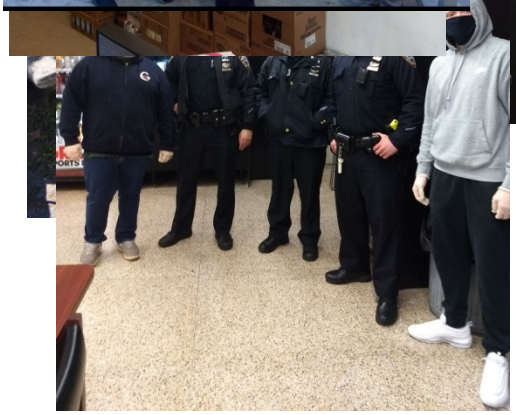
50 individually wrapped bagels to the NYPD 104th Precinct (5 times) and the MTA Bus Depot at Fresh Pond Road. Bags of food are prepared and given to families in need and FINALLY, the NYPD 104th Pct. delivered for Bob. (by "hiding" it in his mailbox). Amen!!




*What can you say about NYPD Chief Scott Shanley and his troops at the Critical Response Command (CRC)? They **repurposed** their meals to the Front Line Medical staff at multiple hospitals that cared for their own COVID- 19 Positive Officers. Magnificent gesture on all levels.*
